ISSUED TO	LOCATION	ACT	REG.	SECTION	DESCRIPTION
Gateway Forest Products Ltd; The Bowra Group Inc; Gerhard Shcroeder and Sandy Long	Prince George	*Environmental Management Act*		40(7); 48(10)	A pollution prevention order was issued to address a high potential risk of fire in wood debris piles on their property. The order required: (1) a site profile be submitted immediately to the ministry in accordance with the regulations; (2) monthly inspections of wood debris piles and storage areas take place to watch for any hazardous materials, documenting and submitting this information to the ministry (should leachate releases or fires be detected on the site, remedial action be taken immediately and the ministry be contacted within 48 hours); and (3) a plan be submitted to the ministry within 3 weeks, ensuring removal of all wood debris and hazardous materials to an authorized site.
Pitman Asphalt and YCS Holdings Ltd.	Prince George	*Environmental Management Act*	217/97	13(1.2)	An order was issued for non-compliance with the Asphalt Plant Regulation. The company was ordered to: (1) conduct specific stack monitoring and evaluate results to indicate whether emission criteria are met; (2) notify the ministry at least 24 hours prior to start-up for stack sampling purposes; (3) submit all stack sample results to the ministry within 14 days of testing; and (4) notify the ministry and cease production should the sample fail to meet emission criteria.
Columbia Bitulithic Ltd.	Prince George	*Environmental Management Act*	217/99	13(1.2)	The plant is ordered not to operate except for the purposes of stack monitoring until results demonstrate that emissions are in compliance with the Asphalt Plant Regulation. Until then, the company must: (1) conduct specific stack monitoring to show that the facility is able to consistently meet the emissions criteria; (2) notify the ministry prior to starting up the plant; (3) submit records of daily production, inspections activities and any repairs to the asphalt plant; (4) submit stack samples to the ministry; and (5), to notify the ministry and cease production immediately, should samples fail any parameter.
Joel Congo, Penny Mikoula, Walter Mikoula	Sorrento	*Environmental Management Act*		77	As follow up to a Pollution Abatement Order issued earlier in the year, the addressees are ordered to submit the report compiled by Summitt Environmental consultants regarding the contamination of land from spilled waste oil and to ensure the report addresses the issues described in Pollution Abatement Order OE-18336.
Valleyview Enterprises Ltd. and Dan Ambrosi	Kamloops	*Environmental Management Act*		81	A Pollution Prevention Order was issued to stop the re-start of a landfill fire and required the company to ensure the following measures were taken: (1) isolate the burned residue from the rest of the landfill; (2) extinguish any existing hot spots and compact the burned residue; (3) cover the burned area with compacted inorganic soil; and (4) continue monitoring and reporting.

Daniel Sullivan dba: SFS Sullivan's Fumigation Services	Burnaby	*Integrated Pest Management Act*		15(1)	Notice of Suspension of Pesticide Applicator Certificate and Pesticide User Service Licence issued for: (1) working without all required personal protection equipment or using proper safety procedures (which put workers and the public at risk); (2) failing to do all necessary monitoring; (3) improperly storing dangerous fumigants; and (4) various other infractions of the *Integrated Pest Management Act.*
Darrell Wiebe	Surrey	*Integrated Pest Management Act*		15(1)	Notice of Suspension of Pesticide Applicator Certificate was issued for non-compliance of the *Integrated Pest Management Act,* including: (1) knowingly working in a manner that put the applicator and the public at risk of exposure to pesticides; (2) failing to monitor during application to ensure effective treatment; and (3) intentionally misleading ministry inspectors regarding fumigation practices.
Pacific Northwest Ship & Cargo Services Inc. and David Crockett	North Vancouver	*Integrated Pest Management Act*		15(1)	Due to the illegal release of a highly dangerous pesticide (methyl bromide) which created a potential health and safety risk to workers and the public, ministry staff ordered Pacific Northewest Ship & Cargo Services and David Crocket to: (1) not move the fumigant treated containers until such a time as they are opened and cleared of methyl bromide fumigant gas in accordance with the *Integrated Pest Management Act* , and the fumigant label; and (2) that this work be completed by a fumigator that is currently licenced by the Ministry of Environment.
Victor Fitzgerald and Patricia Wygle	Penticton	*Water Act*		93(2)(i), 93(2)(q)	An order was issued to the property owners requiring fill placed in foreshore of Okanagan Lake be removed within ten days (before lake levels rise), and that a Qualified Environmental Professional be hired to supervise the work to ensure minimal impact on the riparian area.
Barnes, Lawrence	Prince George	*Water Act*		93(2)(q)	After an initial investigation by the Conservation Officer Service, this order was served to the property owner for the unauthorized works in or about Dougherty Creek. The order outlined the following conditions that must be met: (1) to cease any further works that might cause erosion into Dougherty Creek; (2) submit to the ministry a Site Remediation Plan designed by a Qualified Environmental Professional with experience in fish habitat assessment, soil and slope stabilization, vegetation remediation, and water and erosion control; and (3) immediately commence remediation work (supervised by the Qualified Environmental Professional) upon ministry approval of the Site Remediation Plan.

Lancaster, Bart	Hazelton	*Wildlife Act*	190/84	17(1)(m)(ii)	(a) Suspension of Assistant Guide licence for the period 01/01/2008 - 06/30/2008 and 01/01/2009 - 06/30/2009. (b) For same periods outlined above, Lancaster will not be permitted to accompany clients on hunts under his Guide Outfitter licence (an Assistant Guide will be required to handle any physical Guiding activities under Lancaster's Guide Outfitter licence). (c) During the periods 07/01/2008 - 12/31/2008 and 07/01/2009 - 12/31/2009, Lancaster must not act as a Guide or Assistant Guide Outfitter for the purpose of hunting bear, or accompany a hunter that holds an un-cancelled species licence for bear.	It is an offence to hunt bear by placing bait or by using a dead animal as bait. Bart Lancaster holds both a Guide Outfitter and an Assistant Guide Outfitter licence. While acting as an Assistant Guide in the Skeena Region, Lancaster led a client to a location to shoot a male Grizzly bear by using a dead animal as bait. The client did not have knowledge of Lancaster's use of bait to attract the wildlife, nor did the Guide Outfitter under who's authority and licence Lancaster was working. This hearing was held under the authority granted to a regional manager under section 61 of the *Wildlife Act*.
